

MEDCAN

Executive Health

IIAC is pleased to provide our members discounts on executive health services.

Medcan – 15% off their Annual Health Assessment, a head-to-toe evaluation that gives your employees a complete picture of their current health and potential future risks through an in-depth physical, cardiovascular health exam, fitness testing, nutritional counselling and more. Further, we are pleased to elevate the offering by providing an additional discount of 15% off genetic testing and services. Call to make your appointment today, letting them know your firm is an IIAC Member. It's that easy!
